Introduction to Alpha Rent A Car

Welcome to Uganda's premier self-drive car rental company. Come and experience the ultimate safari and vacation in one of our standard 4X4 or Camper / Roof tent vehicles.

Rent a fully equipped Land Cruiser 4X4 or Toyota Hilux 4X4 camper and take a self-drive safari into some of the world's most impressive game reserves and wilderness areas. Enjoy the freedom and flexibility of a 4X4 self-drive safari at affordable rates.

What we do

Our primary business is a fleet of 4x4 (4wd) vehicles, campers, cars and recreational vehicles available for hire both on self-drive basis as well as with chauffeurs especially for corporate organizations, Government Agencies, Embassies, NGOs who prefer this option. The self-drive safari is a very economical, interesting and exciting way to explore the many attractions and exciting way to explore the many attractions

East Africa has to offer.

There is absolutely no better way of exploring Uganda's best game reserves, National parks and other attractions many of which are only accessible by gravel roads and 4x4 (4wd) tracks. This is one of the reasons why a 4x4 vehicle is the ideal mode of transport and the most capable Safari vehicle. Our all-terrain 4x4 vehicles are all available either as standard or as fully equipped and self-contained campers. The extensive equipment provided like fridge - freezers, kitchen equipment and water tanks to mention a few, allows one to live out of the vehicles comfortably for extended periods while enjoying the thrilling encounter with friendly wild life at the campsite. At Alpha Rent A Car, we would enjoy and welcome the opportunity for you to share in our knowledge and experience of this beautiful region and finest wildlife destinations. We offer tailor made self-drive and guided safaris to cater to your particular interests.
